

## EDUCATION

---

### Seoul National University

B.S. Mathematics

2019–Current

### Seoul Science High School

High School

2016–2018

– Thesis: “Distinct distances problem in Lebesgue spaces”

## EXPERIENCE

---

- **Teaching Assistant**, Korean Mathematical Olympiad Summer School August 2019  
*Korean Mathematical Society, Korea.*
- **Teaching Assistant**, Korean Mathematical Olympiad Winter School January 2020  
*Korean Mathematical Society, Korea.*

## AWARDS

---

- **2nd place**, Korean Mathematical Olympiad - Final Round, Korean Mathematical Society 2017
- **3rd place**, Korean Contest of Mathematics for University Students, Korean Mathematical Society 2019
- **Top Quartile**, Simon Marais Mathematics Competition 2019
- **Achievement Award**, Seoul Science High School 2019
- **1st place**, Independent Research - Mathematics, Seoul Science High School 2016
